

Please confirm the books you would like to sell are on the list provided. **If a book is not listed it cannot be sold here as the edition has changed, or the class will be using a new or different text.** The books for sale will be at the bottom of this list of used books. There are no soft-cover or English books listed, as members of the department request that students use only new books without notations. Please be advised that this is the most current information available and we cannot take responsibility for any changes.

To post books on the website, please complete ALL the following information and send via email to [used.books@hopkins.edu](mailto:used.books@hopkins.edu)

**Title of Book/s**

**Description of each book with condition based on the criteria listed below**

**Amount requested for each book**

**Your name**

**Hometown**

**Preferred method of contact (be aware this information will be on the web.)**

The information will be posted on [www.hopkins.edu](http://www.hopkins.edu) where families can contact each other to buy or sell books. Once you have sold your books, please send another email to [used.books@hopkins.edu](mailto:used.books@hopkins.edu) so your name can be removed from the list. We will add and delete entries up until the beginning of the book sale at school on August 20th. After that time, all information will be removed. **Please be aware that used books will not be available at the bookstore at any time.**

Book condition criteria:

**Excellent:** The book is practically new, with minimal writing or highlighting, and no damage or pulling at the binding.

**Good:** The book has a moderate amount of writing or highlighting, the binding may be a bit loose, and there may be some wear on the corners or cover.

**Fair:** The book has lots of writing/highlighting, is pretty worn or damaged, and close to losing its binding.
